Hello,

I found your page via google, cause I was looking for Ruf Lil Rascal. As I see, he is sold to sweden. Congratulations to a stallion like him!!!!

I have an enourmous healthy and active filly of him out of my mare, this year. <http://www.heaven-11.de/pferde-lily.html> there are fotos on the link "Mehr Bilder hier" on the page,too. It is an huge and remarkable filly! It has really a good attitude and moovement and I am very proud of it.

Thanks a lot and much success!

Mit freundlichen Grüßen
